To be ready to sell each product on the course completion list above, you must also be licensed, appointed, and have submitted the Broker addendum (if you were appointed prior to October 1, 2009).

In order to receive commissions on any **MAPD products**, you are required to complete the PDP training module *in addition* to the MA training to be considered certified for MAPD products.

Agents wishing to sell SNP plans must take both the SNP and Part D modules as part of their certification, as well as the HMO or PPO module, depending on the type of SNP plan available to market in their area.
